

HOME LEARNING MAKER MAT

Can you explore any rocks from around your local area or garden? What rock do you think it might be? Label a diagram.

Look up a different country from the one you live in. How do you think a child who lives there is similar/ different to you?

Write a diary entry pretending you are living in the Stone Age. Include what your day might consist of.

Can you use clay/playdough to create your own fossil?

Year 3

Autumn 3

Draw/use junk modelling to create your very own 'dysfunctional family' inspired by Yinka Shonibare.

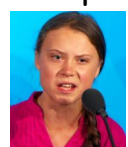

Design and make a poster of your own computer programme.

Create a list of similarities and differences from modern life and the Stone Age.

Research a story of someone inspirational from around the world. Write a news report.

Please complete at least three activities and return your projects by 11th December 2020
