

HOME LEARNING MAKER MAT

Communication and Language

Look at the night sky with an adult. What can you see?

Physical Development

Make a model of the Solar System out of playdough.

Expressive Arts

Create a junk modelling model of a Lunar Rover.

Understanding the World

Make a facts video or book about our planet. What is special about it?

Reception

Blast Off!
Spring 1

Literacy

Draw a picture of your favourite planet and describe it. Make sure you use your phonics when writing facts about it!

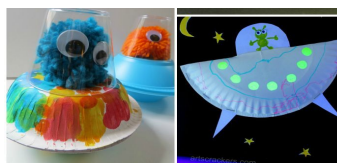

Literacy

Make up your own story about life on a different planet. Draw the planet and the characters and record a video of it!

Expressive Arts

Use recycled materials to design a flying saucer!

Personal and Emotional Development

Imagine what it would be like if Earth was brown, not blue! What can we do to look after our planet?
