

# HOME LEARNING MAKER MAT

## Science

Design a circuit!  
Use the link provided  
create a circuit that  
works! Use your  
imagination and  
have fun!

[Circuit Construction  
Kit](#)

## Geography

California is home to  
the **Giant Sequoia**  
trees.  
Research and record 5  
interesting facts  
about this particular  
tree. Present your  
information with a  
combination of  
factual and visual  
representations.

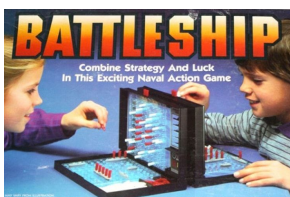

## Art

The focus of your  
artwork will be the  
Golden Gate Bridge  
in California.  
How you present  
your work is your  
choice. You could  
sketch, paint, sculpt or  
use other  
imaginative, creative  
ways to present.

## Maths

Design your own  
battleships game  
using coordinates.

[Battleships  
Instructions](#)

## Year 6

Spring 1

## English

Can you write a  
prequel or sequel to  
our story 'Clockwork'?  
You could describe life  
in Glockenheim  
before Fritz's story, or  
describe what  
happened to Fritz  
after he ran away.

## PSHE

Be kind to others and  
keep a diary of all  
your kind acts. Visit  
the British Red Cross  
website to find out  
more:

[The Power of Kindness](#)

## PE

Create your own PE  
instructional video  
showing others how to  
do your favourite  
exercise. Watch the  
videos from our  
coaches for top tips  
on how to present!

## History

In our last History  
topic we learnt about  
Benin's fascinating  
past. Could you create  
a project about one of  
the other fascinating  
civilisations from that  
period e.g. the Mayans  
or the Islamic  
Caliphate.
