

# HOME LEARNING MAKER MAT

Research a Caribbean country or island and its geographical features. Create a poster to share your learning.

Research and draw a flag from a Caribbean country. What country does it represent?

Research and write 5 steps to planting and growing your own seed.

Using the steps you've identified, germinate and grow your own plant from a seed. Draw pictures of what it looks like each day.

Year 2

Spring 1

Write a postcard or letter and send it to the school. What have you been doing? How are you feeling?

Write your daily timetable i.e. the time you wake-up, have breakfast and include the time of each activity.

Observe some different plant or fruit seeds. What do you notice? Can you draw and compare?

Make your own 3D clock.
