

HOME LEARNING MAKER MAT

Research a 'Marvellous Medic', and create a poster to explain their amazing achievements.

Did you know the world's tallest tree is the Giant Redwood?
Research and present fascinating facts about a plant or tree of your choice.

Be a Scientist! Place a piece of celery in a cup of water. Add a small amount of food colouring. Can you observe, record & explain what happens?

Create your own Andy Goldsworthy style land art, inspired by the natural environment.

Year 2

Spring 2

Write a letter to a 'Marvellous Medic' in the present or past thanking them for their great work.

Write your own story called : This ... Belongs to Me!

Write your own plant-based recipe. What plants or seeds have you included?

Make your own shop!
What is for sale? How much does it cost?
Make your own money to use in it.
