

HOME LEARNING MAKER MAT

Create your own clock for telling the time. You could use a paper plate or even have a square-faced clock!

Research the Ancient Egyptian hieroglyphic alphabet. Use it to write your name and a secret message!

Create a poster about all the ways that magnets are used in everyday life.

Design and create your own sarcophagus. You could draw, paint or make this.

Year 3

Spring 2

Create a short training routine that raises your heart rate, record it (in writing, pictures or film) to share with others.

Draw and label at least 5 examples of magnets that you use everyday at home.

Research the discovery of Tutankhamun's tomb. Write a news report about it.

Turn Roald Dahl's, *The Magic Finger* into a comic strip.

**Please complete at least 3 activities.
We look forward to seeing what you have made!**
